Disclaimer

Disclaimer:

Individual results may vary. Modding blasters is a hobby of ours, and in no way do we claim to be experts on the subject. We've written this manual for other enthusiasts who want to accomplish what we have with our blasters. However, due to legal reasons, we're unable to guarantee any results and the content in this manual should not be considered professional advice.

The use of this information and recommended products should be based on your own due diligence. You agree not to hold the authors and/or distributors of this manual liable for any success or failure of your endeavors that are directly or indirectly related to the purchase and use of our information, recommended products and services.

Make sure you have good knowledge on electric circuit and modding skill. Please read below instruction carefully and reference to online video on installing instruction.

INSTALLATION STEPS

Supplies Needed:

- Small Phillips Head Screwdriver
- Small Flat Head Screwdriver

Step 1:

The Kriss Vector Magazine Adaptor fits on Year 2009 6 Darts Magazine only, please notice the emboss pattern at the bottom.

Step 2:

Unfasten the screws on the top of the Kriss Vector Magazine Adaptor.

Step 3:

Install the Kriss Vector Magazine onto the 6 Darts Magazine, please notice the direction and fit onto the emboss pattern.

Step 4:

Fasten the screws and check complete closure, load the soft darts and go for Kriss Vector battle!

installation is complete 。
